RESPONSE

The undersigned submits the following in reference to the specific concerns that the examiner raised in the Office Action Summary dated December 5, 2005.

CLAIM REJECTION UNDER 35 USC 112

The examiner has rejected the claims under Section 112 for indefiniteness and a failure to point out and distinctly claim the subject matter which the applicant regards as the invention.

The undersigned has amended some of the claims, cancelled others and incorporated the limitations of certain claims into other claims to address the concerns of the examiner.

The undersigned requests that the examiner review the above referenced amendments and put this application in line for allowance.
